# PEOPLE ARE OUR PASSION

Iron Mountain Management is a staffing, project management, and construction management company based in Richland, Washington.

We make life easier by delivering superior project management, matching the right people with the right careers, and building strong and lasting relationships with our clients, partners, and employees. We maintain a high level of integrity, hire well-qualified individuals, assemble skilled teams of professionals to successfully complete projects, and inspire confidence in and build trust with the people we support. We excel at taking difficult concepts, ideas, and technical information and making them easier to understand.

We are a certified Woman Business Enterprise (WBE) through the Washington State Office of Minority and Women's Business Enterprises, and we work with our local building trades unions as a signatory contractor to the Hanford Site Stabilization Agreement (HSSA).

## SELECT PAST PERFORMANCE

- ▶ U.S. Department of Energy prime contractors on the Hanford Site (contract and temporary staffing services, human resources consulting, business management consulting, design engineering consulting, and electric and water utilities management consulting)
- ▶ U.S. Department of Energy national laboratory (contract and temporary staffing services)
- ▶ Commercial energy/utility clients (design engineering consulting and contract staffing services)

## STAFFING

We work to propel professional careers forward and are committed to finding the right people for the right projects. Our strong recruiting process focuses on:

- fostering client relationships
- cultivating an active candidate pipeline
- hiring qualified professionals

Our employees work in a variety of business areas including construction, engineering, environmental remediation, infrastructure, and utilities.
